Studio Policies

Watching Class / age 3-4 and 4+

At studio 2 there is a parent waiting/observing area so feel free to stay. At studio 1 we opted for more dance space when we designed it so there isn't a separate parent viewing area. Please leave and come back the last 10 minutes of class if you wish to see your child. This allows time for the instructor to establish a rapport with the class. Thank you.

Refund Policy

Class fees are non-refundable; balance transfer able to another family member or another class (provided space is available). If a substitute is needed to cover a dance class, a refund will not be given.

Tardiness

Plan to be on time for classes. The most important part of class is at the very beginning. This is when we center ourselves and prepare for learning. Injuries occur when you have not warmed-up sufficiently. If you are late, wait off to the side of the room until the teacher gestures for you to enter class, as this is proper dance etiquette.

Absences

Please call or email if your child is going to miss class so the teacher can plan accordingly

Rehearsals for Recitals and Performances

It is important to attend all classes when preparing for a performance.
